COMMUNICATION

YES SOMETIMES NOT YET

1. Does your child tell you at least two things about common objects? For example, if you say to your child, "Tell me about your ball," does she say something like, "It's round. I throw it. It's big"?
2. Does your child use all of the words in a sentence (for example, "a," "the," "am," "is," and "are") to make complete sentences, such as "I am going to the park," "Is there a toy to play with?" or "Are you coming, too?"
3. Does your child use endings of words, such as "-s," "-ed," and "-ing"? For example, does your child say things like, "I see two cats," "I am playing," or "I kicked the ball"?
4. Without giving your child help by pointing or repeating directions, does he follow three directions that are *unrelated* to one another? Give all three directions before your child starts. For example, you may ask your child, "Clap your hands, walk to the door, and sit down," or "Give me the pen, open the book, and stand up."
5. Does your child use four- and five-word sentences? For example, does your child say, "I want the car"? Please write an example:
