

Position: Pediatric Nurse Practitioner/Lactation Consultant (part-time)
Post Date: 27 Jul 2017
End Date: 26 Aug 2017

Description:

Broadway Medical Clinic has an immediate opening for a Pediatric Nurse Practitioner/Lactation Consultant in our Pediatric practice. This position is part-time, with approximately 20 hours per week.

Broadway Medical Clinic, which started in 1932, is one of the longest operating physician owned practices in Portland. The clinic is located in the Hollywood District, close to MAX and major bus lines. Broadway Medical Clinic offers competitive hourly wages and benefits.

The Pediatric Nurse Practitioner/Lactation Consultant will focus on infant nutrition, particularly in the area of breastfeeding. This position will provide tools and resources to initiate the breastfeeding process and assist in the on-going process. Responsibilities will also include assisting patient/staff education and support in all aspects of lactation management, comprehensive assessment of patient and family needs, identification of outcomes based on the needs assessment and for establishment of a plan of care. The Pediatric Nurse Practitioner/Lactation Consultant will need to possess positive interpersonal and communication skills with the ability to work proactively with patients, families, physicians, peers, and other staff who may come from varying ethnic, racial, socio-economic and education backgrounds.

Qualifications required for position: Successful graduate of an accredited NP school, an unencumbered Oregon Nurse Practitioner license, current CPR/BLS certification, IBCLC credential, minimum two (2) years of lactation experience, and Electronic Medical Records (EMR) experience.

If you meet the qualifications for this position, submit your resume and cover letter to Human Resources at hr@bmcllp.net.
